why squander our life the only one we have in a permanent state of want and anxiety when we can live a life of abundance and bliss why make our happiness depend on externalities when the only truly lasting happiness is inside each one of us why sacrifice the happiness we could be enjoying today on the altar of a vague promise of future bliss when we already have everything we need to be happy in the present in this work the author shows us how to overcome the two main obstacles to happiness attachment and anxiety readers will see that detachment and the ability to stop worrying are neither gifts of the chosen nor inborn talents reserved for a few but skills that can be learned at any moment in life regardless of our situation in the first part we ll focus on attachment to objects and people we ll see how attachment inevitably leads to fear and that fear is incompatible with happiness we ll examine the role of craving and desire of want and satisfaction of control and freedom of possessions and love and we ll see that precious little is needed to live a happy life in the second part we ll delve into what is probably the main cause of unhappiness anxiety we ll see that most of the worry that taints our happiness is unjustified because it stems from adversities that only exist in our mind to understand this reasoning we ll analyze how we create all our expectations and fears in the present how we project them into a future that is no less a product of our own imagination and how we then await with apprehension the arrival of that future in which we have placed our hopes and misgivings happiness is not an unattainable dream not even a future goal we re doomed to pursue forever in vain but a natural innate gift we ve all been endowed with we have now and always have had all the happiness we ll ever have but we don t allow it to bloom in our lives because we ve unconsciously buried it under an ever thickening layer of impediments that prevent it from manifesting every day of our life this book is here to help you find your happiness but to do so it has to challenge many of the received ideas and dogmas that for centuries have condemned humanity to unhappiness please read it with an open mind and consider with fairness whether the ideas contained herein make any sense for you when doing so be honest with yourself and don t let other people s opinions influence your

conclusions remember that ultimately you are your only judge and that on your deathbed the opinions other people may have about you will not change the verdict of your conscience about how you lived your own life your happiness is in your own hands and nowhere else for only you can make it real let this book help you drop the ballast of your worries and attachments and glide smoothly through life the solution is inside discover it and let the magic happen don't wait until it's too late it's now or never

for paul ferrini there was a time when the very thought of jesus left him cold instead of embodying the truth of jesus teaching christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love so when ferrini felt jesus voice inside him saying i want you to acknowledge me he resisted in time however he came to realize that it was not jesus he was rejecting but the untruths that had become attached to christian teaching responding to the inner voice did not mean merely acknowledging jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness once ferrini reached this reconciliation powerful words of spiritual truth began to flow through him reflections of the christ mind presents the most important teachings the author has received through his spiritual awakening here at last is a gospel devoted solely to jesus teachings of love healing and forgiveness the teacher readers meet in these pages is both compassionate and open minded he is the jesus

christians know in their hearts repudiating religious hypocrisy intolerance and spiritual pride ferrini rejects the dogmatic position of the church offering instead words of hope and healing that form the new gospel for today

the need to be rescued is somewhat about personal incompleteness and mostly about god who desires to have loving communion with creation spiritual rescue follows a simple pattern messiah is lovingly sent to rescue each has a tendency to fight against the rescuer personal humility is a statement of faithful surrender and the key to being found the greatest journey of rescue is jesus messiah s upper room to empty tomb victory over sin and death now rescued the individual s only responsibility is to bear the christ who bears our wounds such is the journey to rescue in the humility of being found a journey to rescue kevin b cain writes please acknowledge deep within every soul there is division from and longing for communion with the one larger than ourselves and with brothers and sisters in the struggle of life every division requires rescue and the eternal estrangement of people from the god who loves them necessitates the greatest of rescues and so whether we realize or not each of us sets out on a journey to discover rescue thousands of years ago messiah did the same god descended into a journey not to be rescued but to offer rescue the apostle paul says messiah s journey to rescue each of us can be summed up in three words death burial and resurrection whether the individual s journey to be rescued is active or passive jesus journey of death burial and resurrection has brought rescue to all you are now being invited to enter thirty six hours from my personal journal in the pages that follow you will read my chronicling of jesus upper room to empty tomb journey of rescue and my attempt through vigil to journey alongside creation s rescuer in the written testimony of my journey to be rescued and my stumbling over the messianic leaf of god s rescue that follows perhaps you too will stumble welcome rescue and rise
